9:50	Optimizing kinematics with Attune	Dr. Strauch
10:10	Coffee	All
10:30	Surgical Technique with Attune - Measured Resection	Dr. Strauch
11:00	Faculty panel: My Attune experience / tips and tricks	Mr. Walmsley /Strauch each 5 slides with his best tips
11:45	Evidence strategy for Attune	Mr. Walmsley
12:15	Science of Tissue Management	Dr. Bou Ghanam
12:45	Lunch	All
13:45	Move to lab and change	All
14:00	Intuition instrument walkthrough	Dr. Strauch
14:15	Cementing technique presentation/ video demo	Dr. Strauch
14:30	Delegate cadaver workshop	All
16:30	Change & Coffee	All

16:45 Recap and Closing Comments

All

17:00 Close the day and depart

All

20:00 Course dinner

Day 2 Revision

Jan 30, 2018

8:30 Transfer to the J&J institute

All

9:00 Why do knees fail?

Dr. Strauch

9:20 Mobile Bearing Revision : How much constraint?

Prof. Noor

9:40 Metaphyseal sleeve reconstruction & fixation

Prof Graichen

10:00 Sleeves-tips, tricks and results

Prof Graichen

10:20 Complex cases: my clinical experience with metaph sleeves

Prof. Noor

10:40 Coffee Break

All

11:00 Bone loss

11:00 Managing bone loss

Prof. Noor

11:20 Discussion and cases

All Faculty

11:40 Tibial & formal sleeve prep-videos

Prof Graichen

12:00 Lunch

All

13:00 Cadaveric Workshop & Discussions

All

13:15	Instrument walkthrough: metaphyseal sleeves, TCE MBT revision	Dr. Strauch
13:30	Faculty Demonstration Metaphyseal Sleeves and Simplicity of Revision Instruments	Prof Graichen
14:00	Delegate Cadaver Workshop	All
16:00	Change & Coffee	All
16:30	Recap and Closing Comments	All
17:00	Close the day and depart	All
20:00	Course Dinner	All

Day 3	Revision	Jan , 31st ,2018
8:30	Transfer to the J&J Institute	All
9:00	Group Discussion: Pre-Op Planning	Prof Graichen and All Faculty
9:15	Balancing the Revised Knee	Prof Graichen
9:15	Managing Instability	Prof. Noor
9:30	When to use a hinge	Prof Graichen/Prof Noor
09:45	Discussion and cases	
10:00	Extensor Mechanism Problems	Prof Graichen

10:00	Patella-Femoral Problems	Dr. Strauch
10:15	Extensor Mechanism	Prof.Graichen/ Dr. Strauch
10:30	Discussion and cases	All
10:45	Coffee Break	All
11:00	Solution for Pre-Prosthetic Fracture & Failure of Revisions	Prof. Noor
11:30	Session 5 : Infection	Dr. Strauch
11:30	Diagnostic Infection Algorithm	Dr. Strauch
12:00	Lunch	All
13:00	Move to lab and change	All
13:15	Instrument Walkthrough: SROM, LPS	Prof. Noor
13:30	Delegate Cadaver Workshop	Prof. Noor
15:15	Change & Coffee	All
15:30	Session 6 : Open Interactive session	Prof. Noor
15:30	Delegate cases and discussion	Prof Noor/Dr.Strauch
16:00	Course Wrap-Up & Certificates Distribution	All
16:30	Close and Depart	All
